

## Acute Peritoneal Dialysis Workshop

On the occasion of World Kidney Day 2018, an acute Peritoneal Dialysis workshop was organized by faculty from KEM Hospital Pune, AFMC Command Hospital supported by the Kidney Foundation for Children (KFC). The workshop was held on 3<sup>rd</sup> March 2018 at Command Hospital (SC), Pune. Twenty-eight postgraduate students in Pediatrics, Fellows in Pediatric Nephrology and Pediatric Intensive Care from various medical colleges and teaching institutions in Pune attended the workshop. The workshop 'PD for PDIatricians' a module designed by KFC included a talk on indications and modalities of acute dialysis, a pre-test, a video demonstration of the procedure and a hands on experience of PD catheter insertion. The faculty included Dr. Manoj Matnani, Dr Suprita Kalra, Dr Jyoti Singhal and Dr Jyoti Sharma.
