

IPNA teaching course
“Microangiopathic Hemolytic Anemia”
December 6th and 7th, 2023

Scientific Program

Wednesday, 6th December, 2023

10:00-10:30 *Opening Ceremony*

Prof. Ramzi Elbaroudy (Cairo University)

Prof. Fatina Fadel (Cairo University)

Prof. Happy Sawires (Cairo University)

10:30-11:00 *Plenary session*

HUS: the most common cause of AKI

Prof. Ramzi Elbaroudy (Cairo University)

11:00-12:30 *Session I*

“Complement physiology and pathology.”

Chairpersons

Prof. Ramzi Elbaroudy (Cairo University)

Prof. Fatina Fadel (Cairo University)

11:00-11:30 *Complement pathways: physiological basis*

Prof. Doaa Youssef (Zagazig University- Egypt)

11:30-12:00 *Complement-mediated glomerular injury*

Prof. Samuel makar (Cairo University - Egypt)

12:00-12:30 *Complement dysregulation HUS*

Prof. ----- (TBN- international speaker)

12:30-13:00 *Coffee Break 1*

13:00-14:30 *Session II*

“HUS: pathophysiology”

Chairpersons

Prof. Amr sarhan (Mansoura University)

Prof. Ashraf Bakr (Mansoura University)

13:00-13:30	Infections-induced HUS Prof. Hesham Safouh (Cairo University- Egypt)
13:30-14:00	Secondary HUS Prof. Happy Sawires (Cairo University- Egypt)
14:00-14:30	HUS: pathological perspectives Prof. Wessam Ismail (Beni Suef University- Egypt)

14:30-16:00 Session III <i>“HUS: overview”</i>

Chairpersons

Prof. Ayman Hammad (Mansoura University)

Prof. Maher Abdelhafez (Tanta University)

14:30-15:00	Genetic basis of HUS Prof. ----- (TBN- international speaker)
15:00-15:30	“Is it HUS?”: differential diagnosis of HUS Prof. Alaa thabet (Alexandria University)
15:30-16:00	Laboratory role in diagnosis of HUS Prof. Ashraf Bakr (Mansoura University- Egypt)

16:00-17:30 Session IV <i>“HUS: practical approach”</i>
--

Chairpersons

Prof. Ihab El-hakim (Ain-Shams University)

Prof. Salah El-Morshidy (Zagazig University)

16:00-16:30	Predictors of good and bad prognosis in HUS Prof. Hafez Bazraa (Cairo University- Egypt)
16:30-17:00	HUS and proteinuria Prof. Happy Sawires (Cairo University- Egypt)
17:00-17:30	Thrombotic thrombocytopenic purpura Prof. Amr Sarhan (Mansoura University- Egypt)

17:30-18:30 Lunch

Thursday, 7th December, 2023

10:00-11:30 Session V
“HUS management”

Chairpersons

Prof. Samar Sabry (Cairo University)

Prof. Happy Sawires (Cairo University)

10:00-10:30 **Role of plasma therapy**
 Prof. ----- (TBN- international speaker)

10:30-11:00 **Immunosuppressive medications: Is there a place?**
 Prof. Ashraf Bakr (Mansoura University - Egypt)

11:00-11:30 **Eculizumab in developing countries**
 Prof. Hafez Bazraa (Cairo University - Egypt)

11:30-13:00 Coffee Break and Friday prayer

13:00-14:30 Session VI
“HUS and transplantation”

Chairpersons

Prof. Rasha Essam (Cairo University)

Prof. Ashraf Sayed (Fayoum University)

13:00-13:30 **Special precautions in transplantation of a child with HUS**
 Prof. Fatina Fadel (Cairo University- Egypt)

13:30-14:00 **Recurrent or secondary HUS after transplantation**
 Prof. Ayman Hammad (Mansoura University- Egypt)

14:00-14:30 **Liver-kidney transplantation and HUS**
 Prof. Doaa Salah (Cairo University- Egypt)

14:30-16:00 Session VII
“HUS in Egypt”

Chairpersons

Prof. Gamal Soliman (Banha University)

Prof. Emad Emiel (Cairo University)

14:30-15:00 **Epidemiology of HUS in Egypt**
 Prof. Samar Sabry (Cairo University- Egypt)

15:00-15:30 **Other organs affection in HUS**
 Prof. Ihab El-hakim (Ain-Shams University- Egypt)

15:30-16:00

Case scenario

Prof. Rasha Helmy (Cairo University- Egypt)

16:00-17:00

Lunch
