

INTERNATIONAL NEONATAL NEPHROLOGY SYMPOSIUM 2024

Join us for the inaugural International Neonatal Nephrology Symposium (INNS), hosted by Children's of Alabama and the University of Alabama at Birmingham (UAB) Division of Pediatric Nephrology's Pediatric and Infant Center for Acute Nephrology. Check back often for updates on conference programming and speakers, abstract submissions, registration information and more. We look forward to having you in Birmingham!

Topics Include:

- Practical aspects of Neonatal Kidney Care: The Science and the Art
- From Crib to Bench and Back to the Crib
- Kidney Health Metrics in Neonates and Young Children
- Fetal Kidney Disease: A New Era
- Neonatal Organ Cross Talk
- Neonatal Nephrology Potpourri

The Two Featured Debates:

- Definition of Neonatal AKI
- Kidney Support Therapy in Neonates

The Two Featured Debates:

- Caring for Patients with AKI
- Caring for Neonates on Kidney Support Therapy
