

Hereditary Kidney Disease: Bucharest international Symposium on Nephrology's Hidden Challenges

IPNA Teaching Course

SEPNWG Meeting

08-09 November 2024
Bucharest, Romania.

BUCHAREST IPNA Teaching

November 08 and 09, 2024, Bucharest, Romania

Course Title: **Hereditary Kidney Disease: Bucharest international Symposium on Nephrology's Hidden Challenges**

Course Director: Adrian Lungu, (Romania)

Scientific Committee Chair: Constantinos J. Stefanidis (Athens, Greece)

Scientific Committee Members:

Varvara Askiti (Greece), Sevcen Bakkaloglu (Turkey), Adrian Lungu (Romania), Danko Milosevic (Croatia), Fatih Ozaltin (Turkey), Ludmila Podracka (Slovakia), Danka Pokrajac (Bosnia), Brankica Spasojevic (Serbia), Stella Stabouli (Greece), VeliborTasic (Macedonia), Rezan Topaloglu (Turkey), Todor Arsov (North Macedonia), Nora Abazi (North Macedonia), Dimitar Roussinov (Bulgaria)

XI SEPNEWG Meeting

Hereditary Kidney Disease: Bucharest international Symposium on Nephrology's Hidden Challenges

Bucharest, Romania
08-09 November 2024

Topics:

Complement
Genetics
HUS / aHUS
Metabolic disease
Tubulopathy
Nephrocalcinosis
Kidney Stones
Primary Hyperoxaluria
Fabry disease

Scientific Program – DRAFT v1

Friday, November 08			
08:00	Registrations		
08:50	Welcomme message - Constantinos Stefanidis, Adrian Lungu		
1st session – Introduction to genetics and Complement <i>Chairs: Todor Arsov, Zoltan Prohaszka</i>			
09:00	From DNA to Destiny: Transforming Healthcare with Genetics	Todor Arsov	Macedonia
09:45	Immune Harmony: The Vital Role of the Complement System	Zoltan Prohaszka	Hungary
10:30	Unveiling the Genetic Secrets of the Complement System	Marina Noris	Italy
11.15-11.30 Coffee break			
2nd session – HUS <i>Chairs: Marina Vivareli, Adrian Lungu</i>			
11:30	60 minutes aHUS Round Table	all	
12:30	What is aHUS? Exploring the Nomenclature	Marina Vivarelli	Italy
13:00	Optimal treatment duration in complement mediated aHUS	Nicole van de Kar	Holland
13.30-14.30 Lunch break POSTERS			
3rd session – HUS <i>Chairs: Michal Malina, Johannes Hofer</i>			
14:30	Treatment of factor H antibody aHUS: Plasma exchange and immunosuppression vs Eculizumab	Johannes Hofer	Austria
15:00	The use of C5 inhibitors in kidney transplant for patients with aHUS	Bogdan Sorohan	Romania
15:30	Should we treat STEC-HUS with eculizumab?	Michal Malina	UK
16:00	Secondary TMAs – the role of complement blocking therapies	Bogdna Obrisca	Romania
Coffee break			
4th session - HUS <i>Chairs: Gianluigi Ardissino, Sebastian Loos</i>			
16:30	Monitoring relapse after discontinuation of C5 inhibitors	Gianluigi Ardissino	Italy
17:00	Volume expansion in STEC-HUS	Johannes Böckenhauer / Sebastian Loos	Germany
17:30	aHUS management in countries without complement blocking therapies	Velibor Tasic	Macedonia
18:00	MCPggaac haplotype	Daniel Turudić	Croatia
Dinner			

Saturday, November 09			
5th session – Tubular and metabolic kidney disease <i>Chairs: Detlef Bockenhauer , Danko Milosevic</i>			
09:00	Metabolic Causes for Kidney Stones	Constantinos J. Stefanidis	Greece
09:30	Genetics of Nephrocalcinosis and Nephrolithiasis	Gheona ALTARESCU	Israel
10:30	Renal Tubular acidosis	Detlef Bockenhauer	Belgium
11:00	Crystal Clear: Decoding Urine Metabolites in Kidney Stones	Danko Milosevic	Croatia
<i>11.30-11.45 Coffee break</i>			
6th session– Tubular and metabolic kidney disease <i>Chairs: Yaacov FRISHBERG, Adrian Lungu</i>			
11:45	60 minutes Primary Hyperoxaluria round table	all	
12:45	Primary Hyperoxaluria explained	Yaacov FRISHBERG	Israel
13:15	Practical Experience in the treatment of Primary Hyperoxaluria	Elena Rusu	Romania
<i>13:45 – 14:30 Lunch break</i>			
7th session – Tubular and metabolic kidney disease <i>Chairs: Constantinos Stefanidis, Erik Van Hoorde</i>			
14:30	Fabry Disease in children – how early can we start treatment	Dimitar Roussinov	Bulgaria
15:00	60 minutes Fabry round table	all	
Conclusions and closing remarks			

- **Date: 08-09 November 2024**
- **Location: – Bucharest, Romania.**
- **Official language – English**
- **Registration fee for participants – FREE ACCESS TO LECTURES**
- **Expected participants: 150-200, Pediatric Nephrologists, Adult Nephrologists, Pediatricians from Romania, Central and Eastern Europe**
- **CME credits – 12**
- **The conference will be endorsed and advertised on IPNA, ERKNet and ESPN websites**
- **There will be extensive social media presence**
- **All lectures will be recorded and uploaded to the conference website and on SEPNWG YouTube channel**

Industry partners – this may change

Genesis Pharma
AstraZeneca
Blueprint genetics
Solartium

Venue – this may change

Capital Plaza Hotel - Bucharest
Address: 54 Iancu de Hunedoara Blvd., 011745 Bucharest, Romania
Phone: +40.372.080.080
E-mail: office@capitalplaza.ro, guest@capitalplaza.ro

A website will be available:

<https://sepnwg.ro>

Lectures and video recordings will be available after the event

There will be Social Media Presence

We expect endorsement from IPNA, ESPN, ISN, ERKNet, ERA-EDTA
