The GOSH Nephro-Urology course aims to increase your knowledge and understanding of Paediatric Nephrology using a range of symposiums and workshops.

This three-day course (or two-day course for those attending online) consists of hybrid lectures on Tuesday and Wednesday, and for those attending the conference in London, there will be additional face-to-face only workshops on Monday.

The course is suitable for paediatric nephrologists, including those training and members of the multi-disciplinary team, paediatricians with an interest in nephrology and general paediatricians.

Event pricing:

- **£400** Face-to-Face Consultants (3 Days)
- **£300** Face-to-Face Trainee and non-medical (3 Days)
- **£150** Virtual Consultant (2 days)
- **£100** Virtual Trainee and non-medical (2 days)
- **Free** Virtual GOSH staff and delegates from LMIC (2 days)
